Indicators Used

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
Job Placement Rate	BSU Career Services conducted a survey among recent graduates one year after their graduation. This survey asks graduates about their status <u>after one year of the graduation</u>. Placement in workforce includes full-time and part-time employment in related fields. The data only takes into account those who are available for employment and seeking for employment in related fields. Not included in the calculation those who are: (i) not seeking employment in related fields; (ii) not available for works; and (iii) not responding to the survey.
