Creativity & Innovation

Once students successfully complete the TAD Common Core (26 credits), they must work with their academic advisor to build their educational plan. To earn the Creativity and Innovation emphasis, this educational plan must consist of an additional 52 credits mutually agreed upon from the School of Technology, Art & Design.

In other words, these remaining 52 credits can be any TADD or TADT courses offered by the School of Technology, Art & Design.

Program Learning Outcomes | Technology, Art & Design, B.S.

1. Students will communicate effectively in oral, written and visual forms.
2. Demonstrate knowledge in diverse cultural and historical perspectives and apply them to their art and design practice.
3. Students will develop and demonstrate competence in implementing art and/or design principles.
4. Students will demonstrate the ability to implement the creative process independently and/or interdependently.
5. Students will exhibit the ability to seek, give and accept constructive criticism.
