

The U.S. Department of Education has implemented regulations (Regulation 34 DFR 668.43 (a) (5) (v)) which requires professional nursing programs (RN and APRN) to provide a list of all states/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.

In compliance with this regulation, Bemidji State University (BSU) Pre-Licensure RN Program, is providing the following information:

1. This information is only for initial licensure by exam requirements for the state listed.
2. Students should contact the Board of Nursing in the state they would like to be initially licensed in for more specific information.
3. This information DOES NOT apply to transferring Minnesota RN Licensure to another state.
