

Addictions Minor Course Planning Form

Effective Fall 2024

Discover the transformative potential of our Addictions Minor, designed to equip students with essential knowledge and resources to support individuals struggling with substance abuse. The minor can seamlessly integrate into your four-year degree with just an additional three to four classes offered on campus and online, making it an ideal enhancement for students in the helping professions. Embark on a journey of making a difference with the Addictions Minor and broaden your capacity to contribute positively to individuals and communities in need.

Course Work
